SYR

CELTIC FOLK ROCK

SYR ("sire") is redefining Celtic Folk Rock by taking inspiration from Celtic history, stories and myths to create powerful songs with themes of battle, love, loss, and victory. Their high-energy performance and foot-stomping style has become a welcome addition to festivals and events across the U.S. and the U.K.

Frontman Kyle MacCallum founded SYR on the belief that the rich heritage of the Celtic Nations could be brought to life in a contemporary musical style that appeals to all ages.
